

Level 2 Certificate

# Manage Individual Performance Workshops

## Overview

The 'Manage Individual Performance Workshops Level 2 Certificate' is designed to develop the knowledge and skills required to manage an individual's performance.

Upon completion of this unit, learners will have developed an understanding of the management of underperformance in the workplace and will be able to manage an individual's performance in the workplace.

## Benefits

There are several reasons and benefits for taking part in this course through Protocol Consultancy Services, including but not limited to:

- Gaining a nationally recognised qualification that can assist with future employment.
- Developing a greater understanding of Managing Individual Performance within the workplace.
- Courses are delivered as distance learning, allowing you to choose when and where you study.
- Enhancing both your personal skills and professional development which will assist in future employability.
- And, Personal Tutors are assigned to you to ensure that you have the support needed to succeed.
