

## Upskilling Short Course

# Dementia Care

### Overview

The Dementia Care course is suitable for anyone who wishes to increase their knowledge of dementia, the factors that cause dementia and the ways that dementia can be managed.

The course is also suitable for those who already work in this area, anyone who wants to secure a job linked to dementia and anyone who wants to gain more knowledge for personal reasons.

### Benefits

There are several reasons and benefits for taking part in this course through Protocol Consultancy Services, including but not limited to:

- Gaining a nationally recognised qualification that can assist with future employment.
- Developing a greater understanding of the Principles of Dementia Care.
- Training sessions can be delivered as distance learning via Teams or through locally based workshops.
- Enhancing both your personal skills and professional development which will assist in future employability.
- And, Personal Tutors are assigned to you to ensure that you have the support needed to succeed.
